

Nature Detectives: Mission 1

Test your skills as a nature detective. How many of these things can you find? You may work alone or in groups of two or three. Write down your answers in the empty space. Speed doesn't matter... what matters is how observant you are!!!! REMEMBER NOT TO COLLECT ANYTHING!! Draw a picture or write down your answer. Leave nature in its place.

1. Find something wet.
2. Look for something that is moving fast.
3. Find something green.
4. Find something that has branches, but no leaves.
5. Find something hard.
6. Find something brown.
7. Look for something orange.
8. Find something that could float.
9. Find something pointy.
10. Look for something with cracks.
11. Listen for something noisy.
12. Find something with a strong smell.
