

**Hilton Habitat Committee
Volunteer Sign Up**

Dear Parents,

Please sign up below if you'd like to assist in any way with Habitat projects this year. The more volunteer support we have, the more fun your child(ren) will have while making use of this wonderful outdoor space! Options available are listed below. Thank you in advance for volunteering your precious time. It is much appreciated!

HABITAT HIKERS

Hikes are conducted during recess. The number of hikes available per class depends on the number of volunteer parents. At least two must be available for each hike. Detailed instructions are provided.

HABITAT WORK DAYS

The committee and other volunteers put in many hours maintaining the Habitat and we can always use more help. No green thumb required! Group work days are scheduled in fall and spring. Snacks/drinks are provided and children are welcome.

CLASSROOM LIAISON

The committee needs one volunteer per classroom to assist with classroom projects, schedule monthly hikes and recruit volunteers.
